Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Tuesday 03 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and isolated showers Tuesday. Fine tonight.

Today:
A bright and largely sunny morning for many, though cloud increasing towards midday. Warm sunny spells for many by the afternoon, but a few showers perhaps developing inland across the Pennines. Light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
Showers fading away through the evening, then remaining dry overnight with partly cloudy skies. Winds remaining light and becoming rather chilly by morning. Minimum temperature 8 deg C (46 deg F).

Wednesday:
Another fine and bright start. Sunny spells and scattered, slow-moving showers developing late morning onwards, some heavy and locally thundery by the afternoon, especially in the west. Mainly light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Sunny spells and showers each day. A risk of afternoon thundery downpours at times, perhaps with a longer period of rain Thursday. Becoming breezier. Temperatures near normal or rather cool.
